Streamlined Soc 2 Compliance with Stellar Support

"Thoropass is always there through email and phone at every step of the way, offering communication that's both personal and professional...their Roadmap was very helpful as it allowed me to prepare all the necessary information before the audit, making the process very straightforward...The initial setup was extremely easy...they guided us through every step."

Thoropass: A Comprehensive, Intuitive Audit Platform with Exceptional Support

"A superior audit team that seems to be available almost 24/7...they provided great tips and guidance when navigating the platform, the implementation process, and a few integrations we had to accomplish very complicated tasks."

Willis A.
EVP and Head of Legal & Amp
